Christian Values and Leadership Development March Chapel Schedule

Theme	Date	Led by
Wisdom	3/6/24	3rd Grade
Compassion	3/13/24	2nd Grade
Compassion	3/20/24	Mr. Hays
	Spring Break	

Chapel

The last couple of weeks, Mr. Hays has delivered the message in Chapel. Last week was on Integrity and this week it was on Wisdom! The 5th graders helped him by leading the school in song, which emphasized the importance of integrity and living your life in a way that shows that your actions need to match your words. This week in Chapel, Mr. Hays discussed "Wisdom" and shared the parable in Matthew 7:24-27 about the wise man who built his house upon a rock. The students got to see the difference between building your house on the rock vs. sand and learned the importance of building your house on the Lord Jesus Christ.

This week our students will study

Wisdom

"If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you."

James 1:5

CVLD Homework

CVLD homework will be discussed in CVLD class every Thursday. Completing CVLD homework with your child/children is an amazing opportunity to discuss at home the CVLD values we are learning about in school. Please take time each week to help your child learn more about the CVLD values we are studying. Your child will receive a paper copy of the CVLD homework each week. Along with the paper copy, an electronic copy will be emailed to you. Teachers may have the homework due before Thursday, so please check with your child's home-room teacher for the due date.

In art class, the students drew a picture of a fox and then wrote a story about it. They students were very proud of their work!

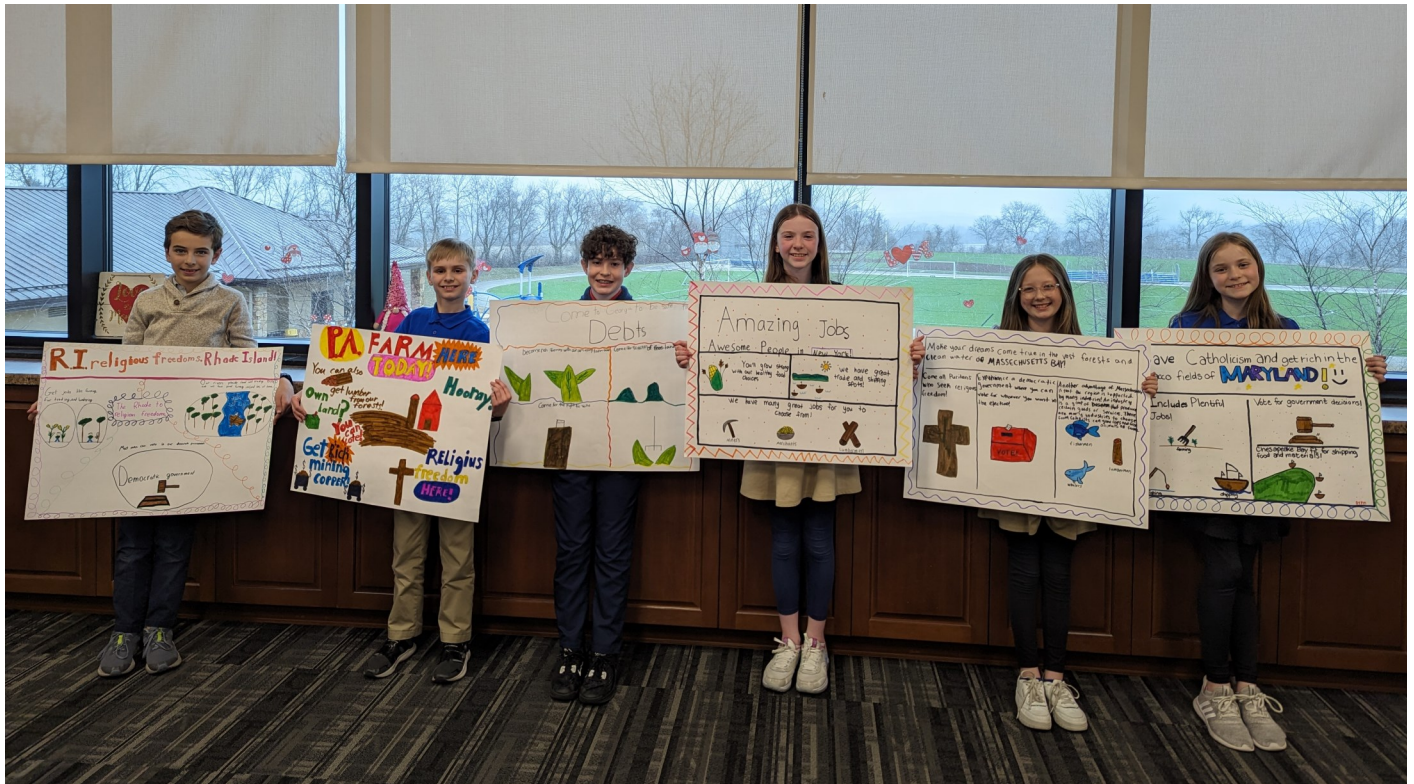

2nd Grade Science

What is on the earth's surface? What kind of land and water are found on earth? How do maps show land and water? Last week our 2nd grade students made a model showing land and water based on the oceans and land that we see from space.

5th Grade

The 5th grade students just finished researching one of the 13 original colonies, creating a billboard highlighting the colony's key features, and giving a persuasive presentation to convince others to move to their colony.

Middle School Forensics

The MS Forensics class presented their final Forensics presentations to a group of parents and teachers last week! They have worked hard all trimester and did a fabulous job!

8th Grade Social Studies

The 8th graders held their annual roaring twenties Time Machine party, where each student dressed in character as famous American historical figures from that era. In attendance this year was Amelia Earhart, Walt Disney, Jack Dempsey, Babe Ruth, Louie Armstrong, Al Capone, Harry Houdini and Henry Ford! They shared food, listened to music from the 1920's, and interviewed each other in character about their biographies. The students prepared by doing research and writing a biographical essay.

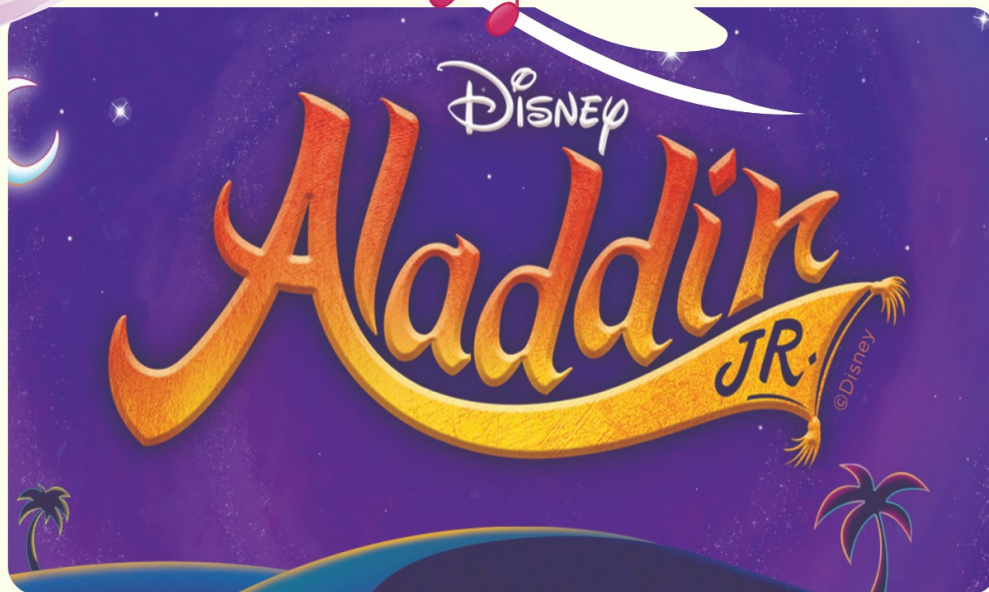

Middle School Art

Pieces from the middle school textile art class, from last trimester, are currently being displayed at the Pewaukee Public Library! Their art, along with other students from area schools will be displayed in the young adult area until March 26, so stop by! Our very own Jackson Iwanski is receiving a special award for "Cheeseburger in Paradise"!

Thank you Mrs. Schauz for highlighting our students talents in the community!
