"Trust in the Lord with all your heart and lean not on your own understanding." -Proverbs 3:5

From the Desk of Mrs. Grindatti...

Shout out to our amazing students for an incredible job in this year's all school musical! They worked so hard and did not disappoint with two outstanding performances! Special thanks to Mr. Nick Clowers, Mrs. Sarah Nienhuis, Mrs. Alyssa Schauz, Mrs. Annina Jest, Mrs. Drager, Mrs. Lange and all of the teachers who helped out this year! It was an incredible example of great teamwork and dedication! Also a huge thank you to all of our families for your support, getting students to and from practices, getting costumes and just being all around amazing! Thank you to our Lion's Pride for their work with the Bake Sale and to all the families that donated baked goods and purchased baked goods!

Christian Values and Leadership Development

March/April Chapel Schedule

Theme	Date	Led by
Compassion	3/20/24	Mr. Hays
Honesty	4/3/24	Mr. Hays
Honesty	4/10/24	1st Grade
Teamwork	4/17/24	Mr. Hays

3rd and 2nd Grade Chapel

Last week our 3rd graders delivered a wonderful Chapel on “Wisdom”. We learned about King Solomon through their skit. They also read a book about God’s wisdom and lead us on two worship songs!

This week our 2nd graders delivered a beautiful Chapel on “Compassion”! They demonstrated how compassion is caring for others by taking action, even when it isn’t comfortable or easy. Through songs, skits and video, they really helped us understand the true meaning. They even enlisted our 3rd graders to help! Well done 2nd graders!

CVLD

Christian Values & Leadership Development

Nicole Daniels
Director

This week our students will study

Compassion

“Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.”

Ephesians 4:32

CVLD Homework

CVLD homework will be discussed in CVLD class every Thursday. Completing CVLD homework with your child/children is an amazing opportunity to discuss at home the CVLD values we are learning about in school. Please take time each week to help your child learn more about the CVLD values we are studying. Your child will receive a paper copy of the CVLD homework each week. Along with the paper copy, an electronic copy will be emailed to you. Teachers may have the homework due before Thursday, so please check with your child’s home-room teacher for the due date.

CELA PRIDE

CLASSROOM LEARNING

3K

3K explored the STEM concept of gravity and engineering through the use of magnetic blocks.

4K

The 4K students started their new theme "Living Things", and they will continue to learn about living things. They talked about what living things need (food, water, air, sunlight, etc.) to grow and started growing their very own beans in the classroom. Some are starting to sprout, and the kids enjoy getting to see the process of a bean growing!

5K

The 5K students are continuing to work in their leveled reading groups on specific individual skills and strategies. They are continuing to practice sight words and have begun looking at familiar spelling patterns using spelling connections. They also had a mystery surprise day and earned time playing board games.

1st and 2nd Grade

A representative from HAWS came and spoke to our first and second graders about their organization and all it does to help animals in our community. She brought in a little dog named Posey and her message was that even though Posey isn't perfect, she still deserves to be loved. The students loved Posey!

5th Grade

The 5th graders did a science investigation where they collected evidence on five different samples of mystery matter to identify each using their physical properties such as color, texture, solubility and more.

4K, 1st and 7th Grade Reading Buddies

6th Grade Science

The 6th graders are finishing up their module focused on the impact of humans on the environment. They also completed their first dissection of the year by looking at the organs of earth worms.

7th Grade Math

The 7th graders are working on probability and starting each class with a probability based game. The students played "knock out" where they try to eliminate each of their chips on the game board by rolling 2 dice before their partner does.

CELA PRIDE

ALL SCHOOL MUSICAL

Our "All School Musical",
Aladdin Jr., was a huge success! The students did a fantastic
job and we had record number attendance both days!
